How to Donate to St. Luke Using a Mobile App

If you have a smartphone or tablet, you can download a free app for making and tracking donations.

1. Download and install the mobile app for your device.
 - If you have an Apple iPhone or iPad, download and install the **GivePlus app** from the iTunes App Store:

2. In the search box, type 55116 and click **Search**. Find St. Luke Lutheran Church (the churches are alphabetical) and tap it.
3. You have three options:
 - If you already have an account, enter the email address and password you used to create the account and click **Sign In**.
 - To create a new account, click **Create Account** and provide your name, email address, and a password. You can then log in with your email address and password.
 - To donate without creating an account, click **Donate Now**.
4. If you are logged in, you can specify that you want to log in using a PIN or TouchID instead of a password.
5. Click the plus sign (+).
6. Enter the Frequency (one-time or recurring), specify the amount of the donation and click **Add**.
7. Click **Next** and specify how you want to pay for the donation (credit/debit card or checking/savings account). The fees we are charged are lower if you choose checking/savings account.
8. Specify the payment details and click **Next**.
9. Click **Complete Donation**.
